Geometrie perpendicolari in un  
equilibrio di volumi.  
Solo sette millimetri di spessore  
nella bocca erogatrice.  
Un'armonia compositiva dove il design  
avvolge l'eccellenza della tecnica.

*Perpendicular geometry and careful balance of volume.  
A spout that is only seven millimeters thick.  
A productive harmony where design meets  
technical excellence.*
